

Variety the Children's Charity of St. Louis
Adventure Camp Lead Counselor
Job Description

Adventure Camp is a day camp for kids with special needs, ages 4 – 16. Medically trained professionals are on site each day to ensure the safety of each camper.

Lead counselors are the main liaison between counselors and parents. They are expected to create a nurturing environment for all campers.

Lead counselor responsibilities include:

- Supervise and monitor camp participants within assigned group
- Encourage social interaction and communication with other campers and counselors
- Monitor camper and staff attendance within group and report to camp director
- Communicate appropriately with counselors in the group, campers and parents
- Be on time each day
- Follow all camp rules and regulations
- Partner with other lead counselors, camp specialists and camp management to proactively guide camp operations to the most successful daily outcome.

Lead counselor will report to the camp director.
