Assessments

The funding of equipment/therapy would not be possible without many individuals, companies, and foundations within the Greater St. Louis community who contribute to Variety. Our programs depend on these benefactors.

With that in mind, **you will be required** to complete a survey to report how your child's piece of equipment/therapy has impacted his/her life, and that of your family.

Your responses will be critical to increasing funding for Variety programs; all responses will be kept confidential.

☐ **I acknowledge that I will be required to complete a survey if I am provided equipment / therapy.**
